BBQ and Constituent Meet and Greet

Dear Friends and Neighbors,

I wanted to remind you that this Wednesday, August 31, I will be hosting a BBQ and Constituent meet and greet. It will be at David Green Memorial Park on the corner of 36th Ave and MacInnes from 5:30 to 7pm. You can click [HERE](#) for a map. Please come by and grab a burger or hot dog and share your thoughts and ideas.

Another Way to track the Legislature

Just over a week ago, the Legislature released their iPhone App. With the app you can track hearings, track bills, view live streams of committee meetings and much more. You can download this for free by going to the App Store on your iPhone and searching for "Alaska Legislature." Once the Legislative session ramps up in January, this tool will be very use for when you are on the move.

Senator Ellis and Representative Gardner provide an update to constituents on what is happening with the legislative session.

I'm Berta and I'm still listening,

Berta
